Pre-Decision	Decision	Post-Decision

• Have I prayed? (Proverbs 3:5-6)
• Ask God to remove my will.
• Ask God for wisdom and understanding.
• What do my past experiences tell me?
• What does my gut tell me?
• Who is the primary beneficiary? If me, are my motives pure?
• What do my key advisors tell me?
• What does God's Word say?
• How does this line up with my purpose or the company's values?
• Have I asked for input from my spouse?
• Does this line up with purpose statement?
• Have I had any dreams?
• Should I lay out a fleece?
• Has He given me peace?
	• Decide!	• After making my decision, am I at peace?
		  • If no, re-evaluate the pre-decision stage.
		  • If yes, act!
		• Examine the experience of this decision to improve my process.
		• Give thanks to God for his guidance.

• **"At some point, the rights of the organization outweigh the rights of the individual."**	• **"Be slow to decide and quick to act."**	• **"You may not always be able to defend your decision, but you can always defend the process used to reach the decision."**
