Developing Your BHAGs: Year 1

(Big, Hairy, Audacious, God-sized Goals)

"Then Joshua said to the people, 'Consecrate yourselves, for tomorrow the Lord will do wonders among you.'" - Joshua 3:5

There are times in our lives when we simply cannot see how God is going to handle a situation, deliver us from a set of circumstances, or cause something to happen. Joshua understood this. Because he was leading the Israelite people to their new land, they had to cross the Jordan River to get there. Exactly how does one lead a nation of people across a body of water? The same way that we must lead our families. The same way you must lead people. The same way we get through troubled times today: we must depend on the Lord to do it for us.

Take a moment to write out three things that you are trusting the Lord to do in your life this year. Make sure they are big things; things that once they happen, you cannot take the credit for because only God can do them.

Maybe it is seeing your business or company attain certain benchmarks or objectives. Maybe it is seeing harmony and unity develop in your home or family. Or seeing a family member or friend trust Christ for their salvation.

Whatever they are, write down three goals. Keep them in your Bible or somewhere that you will see them regularly. Pray for those things every day, trusting God to deliver on them according to His will.

"Consecrate yourselves, for tomorrow the Lord will do amazing things among you."

At the end of this year, let's celebrate together all that God has done among us.

Each month in your personal quiet time, review what you've written. Commit to accomplishing the items on your to-do list, and stop doing those items that are hindering you from growth. This will help you work toward accomplishing the goals, disciplines, and objectives that you have listed.

For accountability, track improvement in these key areas each month.
